It is with great pleasure to give you a recommendation for Gracie Ferguson. I have had the privilege to not only watch Gracie grow into a successful student/athlete but also have had the opportunity to coach her at some periods throughout her journey.

In coaching and watching her maturation, I have witnessed someone who is dedicated to not only improving herself as a basketball player but also improving her team. She is a selfless motivator, whose infectious energy and desire to succeed allows her leadership qualities to show on and off the basketball court.

I have been greatly impressed with Gracie's inclination to always treat her teammates and opponents with respect, while giving 100% at all times, regardless of the outcome of any game. I'm confident that no matter the undertaken, Gracie will always give full effort without being pushed or prodded and it is with these qualities that I can say that she has been one of the most enjoyable student/athletes to have played in our program.

Gracie Ferguson will be an asset to any team, employer, or cause in which she chooses to pursue.

It is for these reasons that without reservation or hesitation, I submit this letter of recommendation on her behalf.
